Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. We move through life dealing with work, our families, our dreams and goals. How many times do we stop and think about the people that are watching us? As Christians we are being watched and observed more than the words we speak. One day a young lady told me that she wanted to be just like me when she grew up. That took me by surprise because I was trying to figure out why. In my mind I was thinking about what I didn't have in terms of fame and wealth. How like us to equate success and inspiring others by these two things. The way you go after your dreams, your work ethics, the way you treat people by being humble and showing love and the way you live for God. These are just some of the things that people observe and are inspired by. In addition to aspiring for wealth, fame and the different goals you may have. Why not aspire to inspire someone to become better and to go after their dreams? Or to be all God has called them to be. What a great feeling it is when someone is inspired by what you say, do and by the life you live. This book is a collection of some of my writings I've done over the years and I pray that you are inspired, encouraged, motivated and strengthened as you 'Aspire to Inspire' the world.
